Middlesex County on Road

FREEHOLD, July 20—At the meeting of the Monmouth County Board of Freeholders here yesterday, County Engineer Allen was instructed to confer with the Middlesex county engineer relative to laying concrete paying at Gunson's

county pavement.

Engineer Allen said that Middlesex county had already planned to
pave a twenty foot section, but he
would take the matter up with the
Middlesex county engineers and endeavor to have Middlesex pave a 200
foot earlier.

### GIVES JITNEY RULING

TRENTON, July 20 .- In deciding that the Public Utility Commission was within its rights in restricting the taking on and discharging of passengers by buses in certain areas, Supreme Court Justice Katzenbach, in an opinion yesterday declared that even where a bus owner points out faults in the competing railway's service as evidence that the restric-tions should not hold, the street rail-way has a right to improve the service in the respect pointed out by the bus owner to the latter's disadvan-

The ruling on this point was handed down after Arthur A. Hunter, operating a bus line from Swedesboro to the Federal-Market street Ferry in Camden, had appealed to the court from a restriction placed upon him, by the utility board.

NO EXCUSE NOW

White trouser and white cap and white shoulder patches add to the visibility of New York traffic cops at night. Autoists can't say now, "I didn't see the policeman."

ADD SMALL FRUITS AND PERMANENT VEGETABLES TO YOU GARDEN

A home garden is incomplete un-less it includes some of the more permanent vegetables and small fruits in addition to the regular an-nual vegetables that are usually planted.

A bed of asparagus, several hills of rhubarb, a few plants of horse radish, strawberries, raspberries, blackberries dewberries, grapes, currants and gooseberries are valuable additions to the home garden.

By having a collection of the dif-ferent small fruits one can enjoy a continuous supply of good things to eat throughout the greater part of the summer and is addition have an abundance of preserves for winter

This Bereau has for free distribu-tion a bookiet giving instructions for the plainting and care of the more important small fruits and perennial vegetables. You can secure a frae copy of this bookiet by filling out and mailing the coupor below. Enclose two cents in stamps for return post-age.

I enclose herewith two cents in stamps for return postage on a free copy of "Permanent Fruit and Vegetable Gardens" as offered by the Perth Amboy Evening News.

Freeholders to Confer With Park Department Unable to Furnish this Form of Entertainment this Summer

With the summer almost hali over there is still no prospects for a series of park band concerts under the park department of the city o. Perth Amboy, according to Louis Y. Sosin, president of the park board. A lack of funds in the hands sex county engineer relative to laying concrete paving at Gunson's hill on the Englishtown-Jamesburg road. It was pointed out to the freeholders by Elmer E. Polhemus, tha' Monmouth county recently awarded a contract for paving from the Middlesex county linie to and through Englishtown and unless Middlesex county paved a section of the road on the hill in their county, Monmouth would evperience considerable trouble by having sand and dirt wash down on the Monmouth county pavement.

Engineer Allen said that MiddleEngineer Allen said that Middleit for other than the improvements of the various park sites at the present time, he says.

Numerous requests have been received by the park board the past several weeks but th lookout for concerts is the same as the first part of the season. There were eight foot section.

The board received a report of the mbide recently received by the borough of Keyport, for the paving of Maple avenue. The low bid was submitted by Louis J. Seiling of Red Bank, the amount being \$27,705. The board voted approval of the award to Mr. Seiling on motion of Harry G. Borden.

Of the season. There were eight concerts given last year by public subscription in various parts of the city and were enjoyed by hundreds of people during the summer months. Mr. Sosin believes that if something like this was started again this year the city might be induced to appropriate a sum to help defray part or all the expense of the concerts. He also believes that the recently organized Elks that the recently organized Elks band would give one of the concerts free of charge to start the series of for the rest of the season.

Auto Crashes Into Pole, Wrecking Machine South River Man in Hospital

SPOTSWOOD, July 20-Herman Ringel, of South River, is recovering from lacerations on his face at St. Peter's hospital in New Brunswick, following an automobile accident which occurred at about 3 o'clock resterday morning. According to itformation at hand Ringel, with two friends, were the occupants of the carwhich was on its way from Hel-metta to South River. Reaching the cross roads near the community the cross roads near the community house, the driver run into a lighting pole, almost demolishing the front part of the automobile. The two other occupants who are said to come from South River, and whose names could not be learned, escaped injuries. The cries of the party brought people from nearby homes in scanty attire to the street.

TWIN HARMONY

These Samar twins, born on the Philippine Island 14 years ago, are joined at the base of the spine. They have taken up the saxaphone and will probably become public

## Newark Bay Bridge

Newark Bay, being constructed by the Central Railroad Company of New Jersey, as seen from the top of the present draw bridge, looking toward Elizabethport. The new bridge will be 100 feet north of the present structure, the track level will be 30 feet above that of the present bridge and 40 feet above mean high tide. Two channel or draw openings, one 125 feet and the other 200 feet, will be provided. The other photograph is of the dredge "Pittsburgh" which is at work dredging for the new bridge, this machine being capable of handling from 5,000 to 20,000 cubic yards of material per day.

Seized By Soviet?

This shows the schooner Iskum, owned in Tacoma, Wash., and now seized by the Russian soviet officials of East Cape, Siberia, along with two other American vessels.

# Ask Mr. Haskin

If there is anything in the world you want information about—ask Mr.

Haskin. It doesn't matter what-Mr. Haskin will tell you, and he will leave no stone unturned to get you the information.

Mr. Haskin's full name is Frederic J. Haskin and he is the Director of THE EVENING NEWS Information Bureau.

He maintains a big staff of experts and correspondents whose business it is merely to answer questions-your questions.

What do you want to know about?

A fact in history?

The solution of a business problem?

Social etiquette.

Army pensions? Something about irrigation, surveying?

If you are going traveling you can have special information about the places you are going to, no matter where in the wide world they are.

Insurance? Problems of employment Schools, advice about educational institutions and where to secure the best instructions?

Banking thrift?

Agriculture? All the expert advisers of the United States Department of Agriculture are at your service through our Bureau. Birds and wild animals, insects?

Plants, the growing of fruits, grain, grasses and seeds?

Good roads, special maps?

Health and special advice on sanitation and drugs?

Politics-facts relating to international political problems?

Astronomy?

Mining?

These are only a tiny fraction of the vast multitude of subjects covered by The EVENING NEWS Bureau.

The information bureau of the PERTH AMBOY EVENING NEWS is at Washington because Washington is so handy to all the greatest sources of information.

Send your inquiry there addressed to Mr. Frederic J. Haskin, EVENING NEWS Information Bureau. Enclose a two-cent stamp for return postage.

You will be answered.
